

PGA 41 – 2023.2024 – Carnival Parade - Further information

Dear Parent or Guardian,

As you know, the usual Carnival Parade of the municipality's schools will take place on Friday **9th February 2024**.

Bearing in mind that several parents and carers have asked us for directions on how to make Carnival costumes, here are a few places you can go to, where you'll also find all the information you need to make the costume selected by our school.

If you wish, you can go to the "*Planeta dos Tecidos*" shop in Torres Vedras and say that you need fabric for the Escola Internacional de Torres Vedras costume, which costs around 10 euros.

You can also contact the seamstress Luciene (also located in Torres Vedras, very close to the Planeta dos Tecidos shop) on: 911 945 061, the cost of making the suit is around 30 euros."

In this context, we suggest that parents and guardians who want their children to take part in the parade wear a costume alluding to the school's theme "Space is our destiny".

We also ask that you respect the following guidelines for the proposed costume, the models of which are on display at the school, as well as paying special attention to the following accessories:

- White trainers
- Make-up with glittery stars, stickers according to the scheme that will be provided shortly.
- The mould for the girls' diadem, to be made out of "silver EVA paper", will be provided by the school, as well as fabric samples.

Please note:

The Carnival operation will cost €10.

This cost includes transport, participation in the cost of teachers and other accompanying persons and the travel of the students in the drum orchestra that will accompany the parade.

If you authorise your child to take part in the Carnival Parade, this amount will be charged together with the February invoice. Please register using the link below by 08 January 2024.

With our best regards.

Torres Vedras, 19th January 2024
